Background Information: Article Nine, Section 2 of the Board of Education's by-laws states the following:

Advisory Committees. Advisory committees may be created by the Board for special purposes to include, but not be limited to, federal and state-mandated committees. An advisory committee shall be composed of persons who represent the views and interests of the general public and who are known to be qualified to perform their duties. Personnel of the Department of Education may be appointed to the committee, as members or as consultants. All appointments to an advisory committee shall be made by the Board upon the recommendations of the Superintendent of Public Instruction. . . .

Summary of Major Elements: Nominations to fill vacancies on the Board of Education's advisory committees are made quarterly. Nominees would be appointed to a three-year term, and the members of all advisory committees except the Student Advisory Committee may be re-appointed to a second three-year term, as permitted under the Board of Education's by-laws.

Four of the Board's six advisory committees have vacancies for which names are being placed in nomination at this time.

- Advisory Committee on Adult Education and Literacy
- State Special Education Advisory Committee
- Virginia Advisory Committee for Career and Technical Education
- Virginia Advisory Committee for the Education of the Gifted

Nominations and supporting information were gathered by the Department of Education staff using a statewide solicitation process. Staff also reviewed the qualifications of each of the nominees to ensure that they met the membership requirements that may be required either by the Board of Education or by state or federal law or regulations.

The names of the nominees and a list of the current advisory committee members and their term of service are listed in the attachment.

Superintendent's Recommendation: The Superintendent of Public Instruction recommends that the Board of Education receive the list of nominees for first review.

Impact on Resources: The operating expenses and other costs associated with the meetings and functions of the Board of Education's advisory committees are provided through the Department of Education's operating funds. Where applicable, federal funds are provided to support the expenses and the work of an advisory committee.

Timetable for Further Review/Action: Final appointment of the nominees will be requested at the July 27, 2005, meeting of the Board of Education. The appointments would be retroactive to July 1, 2005.
